DM Packaging, Inc.

We've come a long way since plastic T-shirt bags, ice bags and paper sacks.

A safe, lead free alternative to the traditional non-woven bag.

Our durable, polyethylene, soft loop handle bag is reusable, recyclable and made in America.

A restaurant carry-out bag should have some class and style.

If you prefer simple stock designs, you can now order them online on our website.

Everything looks nicer with a little bit of pretty packaging.

DM Packaging now stocks boxes, gift wrap, tissue paper and even some bows.

Call us at 800-890-7056 or 281-859-4933.
