

Square Bottom T-Shirt Bag, Heat Seal, Gusset Pull to Open

Great for high volume take out when time is crucial to getting orders out the door.

- Flat bottom design enables dispensing “one by one” by pulling bottom gusset fold, “fastest opening bag in the industry.”
- Heat sealed square bottom offers extended strength for heavy take out orders, keeping meal boxes flat without tipping from side to side.
- Designed to work with dispensing rack or standard wall hook for dispensing/loading.
- Flat bottom design optimizes space for hinged take out containers, minimizing multiple bags.
- Materials:  HDPE
